

DREF Final Report: Tropical Cyclone Cody

Operation duration: 19/1/2022 - 31/5/2022

Number of people assisted: 7,892 people
(1,573 households)

FRCS was active since the flooding began. Due to the COVID-19 outbreak, the FRCS Emergency Operations Centre was activated on 10 January with most communication conducted virtually.

DREF Final Report: Tropical Cyclone Harold

Operation duration: 14/4/2020 - 31/10/2022

Number of people affected: 180,000
Number of people assisted: 12,370

In response to Tropical Cyclone Harold's projected path, FRCS has mobilised branches to secure structures, prepare food, assemble Go Bags, ensure safe water collection, and support vulnerable populations.

Introduction

We're dedicated to fostering a resilient Fiji, where vulnerabilities are a thing of the past and people stand ready to offer impartial and voluntary assistance to those in need.

Together with our partners, we aim to build safe, healthy, and resilient communities by empowering volunteers in humanitarian service and advocacy. Join us in making a difference!"

Our Vision

A resilient Fiji, free from vulnerabilities, where people are ready to offer impartial and voluntary assistance to those in need.

Our Mission

To build safe, healthy, and resilient communities by working with our partners and empowering volunteers in humanitarian service and advocacy.

We strive to promote mutual understanding, friendship, cooperation, and enduring peace among all peoples.

Background of Establishment

Established in 1952 and registered in 1971, the Fiji Red Cross Society empowers communities through trained volunteers, providing emergency aid and humanitarian services nationwide.

Aligned with Fiji's government, it fosters a safe, healthy, and resilient society. Celebrating its 50th anniversary in 2021, it highlights resilience amidst global challenges.

Main Activity:

- Disaster Management
- Health and Welfare
- Resilience Program
- First Aid and Safety
- Youth

Target Community and Focus Area

The Fiji Red Cross Society (FRCS) operates through its branches across all four districts (Northern, Western, Eastern and Central). The country cluster delegation (CCD) in Suva and the International Committee of Red Cross and Red Crescent Societies (ICRC) subregional office worked closely with FRCS. The New Zealand Red Cross (NZRC) and the Australian Red Cross (ARC) provided human resources, surge support and in-kind relief items.

DREF Final Report Fiji/Pacific: Tropical Cyclone Yasa/Ana

Operation duration: 16/12/2020 - 30/11/2021

Number of people assisted: 40,523

FRCS was very active in monitoring the cyclone tracking forecast and disseminating early warning messages within its community network. FRCS mobilised its branches via division managers to prepare communities.
