JICA's Strategy and Highlighted Activities (Oct 2023~Sep 2024)

(1) Realization of high quality growth

➤ Strategy

JICA Vietnam focuses on cooperation to build a foundation for quality growth by developing urban transportation networks for sustainable and efficient growth in major cities, sustainable energy supply to meet the increasing energy demand for economic growth and carbon neutral society in Vietnam, and improving basic infrastructure, agriculture, and maritime security for strengthening connectivity and security especially in the Mekong Delta region. These are strategically important not only for Vietnam, but also for ASEAN to promote AOIP (ASEAN Outlook on the Indo-Pacific) and FOIP (Free and Open Indo Pacific) in pursuit of international peace, stability, and prosperity.

¹ Apr 2023-Mar 2024. Excluding Private-Sector Investment Finance

² Apr 2023-Mar 2024. Technical Cooperation Expenses include expenses for Technical Assistance managed under the Finance and Investment Account budget, SATREPS, JPP Projects, Disaster Relief etc., but exclude administrative costs.

³ Apr 2023-Mar 2024. Aggregated amount of Grants committed through concluding of respective Grant Agreements
