## “Beach Cleanup - World Environment Day”

JICA PNG Alumni Association partnered with the National Capital District Commission to do a cleanup activity at the Konebada beach on Sunday morning, 5 June 2022. Over 100 participants including more than 50 participants from JICA joined this activity.

The event was held to commemorate the World Environment Day and brought JICA staff and ex training participants to work with the locals at Konebada. This was a good opportunity for participants including children to think about our greener future.

Other participants included staff of the Department of National Planning and Monitoring, students of the Environmental Science strand of UPNG and Corps Security officers.

National Airports Corporation (NAC) supplied 90 t-shirts to the JICA PNG Alumni Association, JICA PNG office supported with refreshments, bin bags and gloves. Corps Security also supported with 30 t-shirts, transportation and security.

JICA extends our thanks to National Airports Corporation and Corps Security for their generous support towards this event.
