

CREDIT SERVICE

Our AC provides loan and saving service.

EASY PROCEDURE

A borrower doesn't need to get signature of a chief of village to get loan from AC in case the amount is 1 million riel or less.

QUICK PROCEDURE

Only 2-4 days to complete the procedure, While other financial institutions requires about a week.

CONVINIENT LOCATION

Unlike other institutions, our AC located in a place which is convenient for local people.

NO FEE REQUIRED

Unlike other institutions, a borrower doesn't have to pay extra fees when they use our credit service.

Ms. On Sarom
Service: Loan (480,000riel)
Purpose: To buy cages for chickens

"The procedure of loan from AC was easy and quick. The location was very convenient for me as I live near the AC. I was satisfied with the service they provided."

SVAY CHRUM AC

VISION of the AC

Cooperation and consolidation of people.

We hope people in this area work together and help each other.

Improve knowledges of agricultural technique

To develop living standard of this area, the AC tries to instruct knowledge of agricultural production.

Become model AC of Svay Rieng

We hope we get enough capacity of business management in order to become an model AC.

GOOD FERTILIZER GOOD PRICE

FERTILIZER SUPPLY

Svay Chrum AC provides great fertilizer with reasonable price for local people .

HIGH QUALITY

Because we directly buy fertilizers from fertilizer company and check the quality when we buy them, the quality is granted.

ENOUGH QUANTITY

If you have doubt about our quantity, you can weight and will see it contain 50kg for a sack. We weight sacks on a scale when we buy them.

REASONABLE PRICE

	Member	Non Member
UREA	70,000	72,000
DAP	100,000	105,000
NPK	105,000	110,000
PK 22-20	104,000	106,000

(February 2018)

OUR SUPPORT

We do, not only provide products, but also support you

NO INTEREST CREDIT SERVICE

AC member can buy fertilizers in credit without interest within one month; if it is more than one month, member gets loan from credit business of AC to pay for fertilizer cost.

TECHINICAL SUPPORT

Our AC is a professional on fertilizers. We instruct you how to use fertilize property.

CONVINENT LOCATION

We carry fertilizers from company to our storage room at the AC. Fertilizers are kept in safe and good condition.

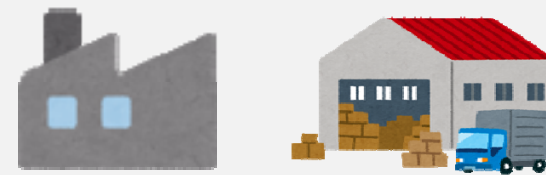

Mr. On Samean bought fertilizers from the AC with borrowing money

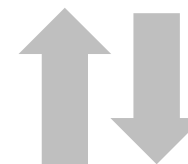

"I didn't have enough money to buy fertilizers, but fortunately the AC lent me the money with reasonable interest rate. The quality of fertilizer from the AC was great. Comparing with fertilizer from others, it needed less amount of fertilizer to spread in the field."

The more the AC buy fertilizer from company, the more the price of fertilizer will be reduced
