14	15	16	17	18	19	20
21	22	23	24	25	26	27
28	29	30	31			

### Numbering of Artifacts

The Numbering process starts by putting the first layer then writing number with brushes and inking pens then the last layer, this process is done by an Artifacts numbering committee, consists of conservators and scientists.
