

# Project of Capacity Development for the Implementation of Agricultural Insurance

Feb. 2021

## Core team to prepare Presidential Decree

The Project formed a core team which supports the creation of preparatory materials for the draft Presidential Decree on Agricultural Insurance, and held its 1<sup>st</sup> meeting. BAPPENAS (Ministry of National Development Planning) aims to complete the drafting of the Presidential Decree within this year. The core team will review the existing regulations and issues on agricultural insurances and prepare for the inter-governmental consensus-building.

## MOU with Swiss Re and Webinar on Food Security

In January 2019, JICA signed the memorandum of understanding (MOU) with Swiss Re Asia Pte. Ltd. (hereinafter referred to as Swiss Re) for collaborating towards strengthening agricultural insurance for paddy in Indonesia under this Project. In December 2020, Swiss Re, in collaboration with the EU-ASEAN Business Council, hosted the Webinar “Protecting Farmers & Promoting Food Security in Indonesia : The Role of Agricultural Insurance”, with support by the Project. H.E. Dr. Suharso Monoarfa, Minister of BAPPENAS emphasized the importance of agricultural insurance in food security and expressed his expectations for upcoming pilot activities on Area Yield Index Insurance planned by the Project.
