

Project for Economic Empowerment and Social Participation of PWDs

Newsletter Vol.01, January 2018

MOL-JICA Project

Participation & Employment
Person with Disabilities

13 Job Coach Trainers were certified!!

The project trains Job Coaches, who support PWDs individually to join open employment and enable them to work continuously, and develop the program of Job Coach. After 6 months training provided by the project, 13 persons were certified as the first Job Coach trainers in Jordan. Thus now Jordan can train new Job Coaches with its own human resources. The Project will provide at least two Job Coach trainings, one is 5days for NGOs and Government staff, and another is 3days for private sector in a year. The 13 Job Coach trainers are expected to be core member of Job Coach Network and share experience and information with other Job Coaches.

Closing Ceremony of Training of Job Coach Trainers

Learn from experience of Japan & Malaysia

6 Jordanian (MOL2, NGOs2, private companies2) joined 18 days training course in Japan and Malaysia to learn about system and implementation of Job Coach. They are expected to develop Job Coach Programme in Jordan. In the last day of the training, the trainees developed action plan each and discussed about future plan as a group. After the training, they also had reporting session to MOL.

At Prefectural office in Osaka, learning about employment transition support for person with intellectual disability

Group activity of Syrian women with disabilities

After the completion of Sports activity, the Project discussed with Syrian women with disabilities on what kind of group activity can be helpful for them and to be useful for their future.

Meeting with Syrian women with disabilities and their family members

2nd JCC (Joint Coordinate Committee) was held

2nd JCC of the Project was held on 4th December for reporting to related agencies and to discuss future plan. Most of the project activities were carried out as schedule, the project must seek way toward sustainable Job Coach support system now on.
