

## Job Coach Introductory Course

Job Coach Introductory Course for companies was held from 5<sup>th</sup> to 7<sup>th</sup> March and 20 Job Coaches were newly certified. This was the first training for Job Coach Trainers since they were certified in December 2017. There were several points to be improved though, satisfaction rate by participants was generally high. Most of participants are working as HR staff, supervisor and so on in large companies of garment sector and service sector. Since some of companies have already achieved 4% quota, participants were proactive to collect useful information, too.

## Completion of Sports Activity for Syrian PWDs

Sports Activity for Syrian PWDs ended on 11<sup>th</sup> March. 102 PWDs have participated to the activity in total and many of them started to come through peer counseling session. It was confirmed that the activity have been of some help to PWDs to re-start social participation. In the last day, the project conducted review of the activity with participants and heard from them on idea for new activity as a group. Also, promotion of employment for PWDs was highlighted as main focus of the project.
