## Job Coach training with initiative of JGATE

3 days job Coach training was held in Dhulail, Zarqa governorate, where PWDs employment is being implemented actively. This training was arranged by Jordan Garments, Accessories & Textiles Exporters' association (JGATE) and it was the first Job Coach training by other entity. From preparation stage Job Coach trainers have supported each other and the venue was provided by Dhulail Woman Association with which one of Job Coach trainers work. ## For promotion of employment for Syrian PWDs

Awareness raising on Employment Guidebook was provided for International Labour Organization (ILO) which runs 11 employment centers for both Jordanian and Syrian refugees. ILO places 1-2 staff to each center and providing services such like job matching and career counseling. Since they are including PWDs as their target and set 3% quota to be achieved it was agreed to provide the awareness session for staff of employment centers.

We hope that the awareness session could be helpful for employment of Syrian refugee PWDs which is more difficult than the one for Jordanian.
