

## National Seminar of Job Coach

With the aim to expand Job Coach service nation wide, the National Seminar of Job Coach was held on 23<sup>rd</sup> January. Minister of Labour attended to the seminar and mentioned importance of employment for PWDs and effectiveness of Job Coach service in his remarks and gave certificate of appreciation to 13 Job Coach trainers for their continuous effort. After presentations by related entities about their experience on Job Coach , there were active discussion among participants and presenters. We hope the seminar could be opportunity for participants to start Job Coach.

### Job Coach Training by JGATE

JGATE implemented 3 days Job Coach training in Irbid. 13 participants from 5 companies under JGATE attended to the training and became Job Coach. Through this training, we could have new Job Coach in Northern part of Jordan and expect them to expand Job Coach service in their area. In addition to Job Coach training provided by Ministry of Labour, there have been Job Coach trainings initiated by private companies and NGOs. Thus Job Coach program is being promoted by cooperation of governmental and non governmental entities.
