

## Job Coach Training for INGO

Humanity & Inclusion (HI) which is International NGO supporting PWDs has been implementing livelihood project and promoting open employment is one of its target. Thus HI requested the project for a Job Coach Training . The project provided a 3-days Job Coach training for 19 staff from HI and its implementing partners organizations. The training was held by cost sharing. HI provided venue and transportation for trainers and the project arranged with Job Coach trainers and provided materials. Since target area of the livelihood project is Amman and Zarqa, the project expect knowledge and skill transferred in the Job Coach training will be utilized in the area even after the completion of our project.
