

SUSFORM-NOW (LDC) News No 8: Tree that bears flowers and fruits!

In December 23, 2011, on the occasion to go to Dien Bien to join the JCC meeting, the Jica Mission (Hanoi) has visited livelihood development activities of SUSFORM-NOW (LDC) in Phieng Ban and Huoi Mua A villages. This news-letter will honourably introduce to you the Mission's activities of this field visit.

The Mission is discussing socio-economic development situation in Phieng Ban with the village head.

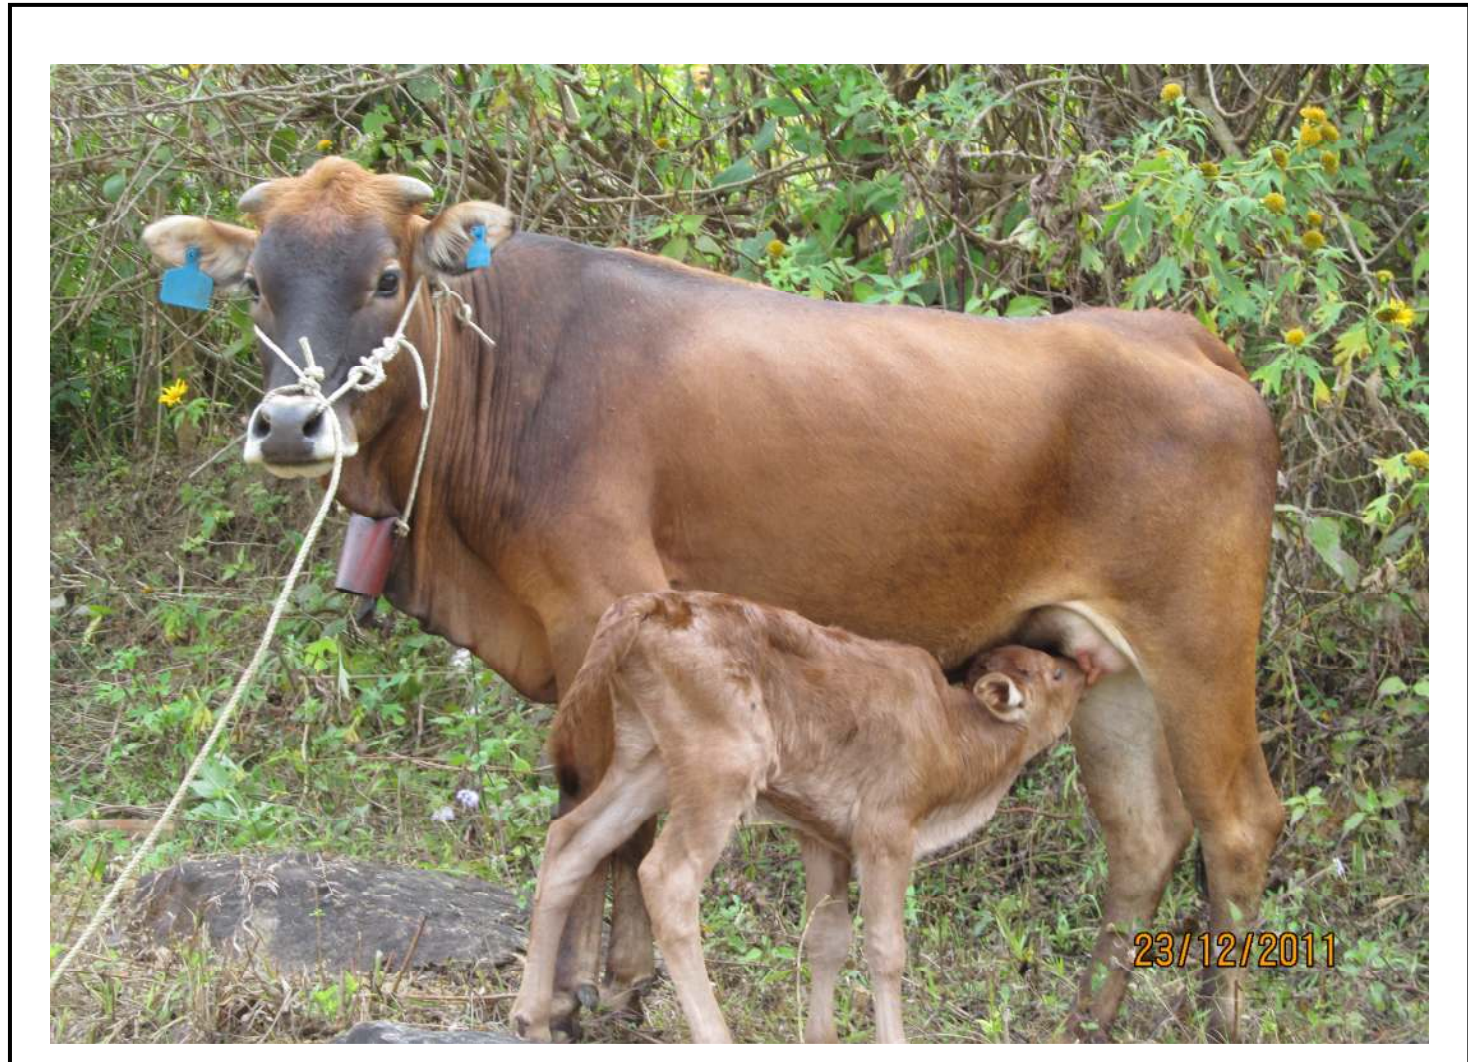

Visiting a household in Phieng Ban, who is raising a sow provided LDC.

Huoi Mua A villager head is explaining how to use the improved stove to the Mission

AND NOW, “TREE THAT BEARS FLOWERS AND FRUITS”

Good news! A cow provided by LDC in Huoi Mua A has just delivered a calf, very pretty and lovable. Villagers in Huoi Mua A were very excited at this event. The good news was also shared by the Jica Mission when it visited Huoi Mua A village. After many efforts made, “the tree starts bearing flowers and fruits”.
