Anti-Trafficking Task Force (Yangon)  
09 49555888

## Purposes

- ❖ To improve the protection of trafficked persons by providing information and necessary services
- ❖ To refer the trafficked persons to other social resources
- ❖ To provide effective rehabilitation services for trafficked persons

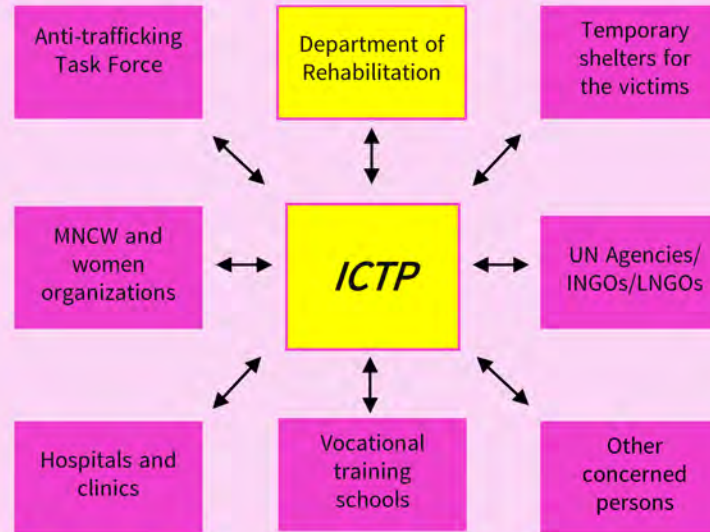

## Target people

- ❖ Trafficked persons regardless of sex and age, including self returned victims
- ❖ Potential victims
- ❖ Family members, friends and neighbors of the victims

## Programs and activities

- ❖ Provide information to trafficked persons by telephone or in person
- ❖ Give advices if necessary
- ❖ Refer to and coordinate with social support organizations such as shelters, vocational training school, medical institutions, and police forces
- ❖ Provide counselling to reduce victims' mental problems
- ❖ Help victims to receive support from family and community for better reintegration within society

## Organizations that collaborate with ICTP in assisting victims

- ❖ For rehabilitation purposes, ICTP provides support for agriculture, animal breeding, education, health, and daily income generating small business together with follow-up support
- ❖ For the victims who do not have **national registration card**, ICTP coordinates with related departments and if necessary, issue recommendation letter to get the NRC.
