3. Government Ministries and Departments

The Role of the Niue Department of Education is to:

- Oversee, provide and implement, quality and relevant Education services for all children resident in Niue, pursuant to the **Aims** and executing the **Strategies** specified in **Pillar 4** and **Pillar 6** of the Niue National Strategic Plan;
- Communicate Governments goals and priorities for the sector and to facilitate action on these by the Department;
- Initiate departmental planning and reporting processes relating to the provision, maintenance, and management of services by the Department in accordance with the Education Act 1989, Government policy and directives;
- Advise the Director General Social Services, Minister, Secretary to Government, Central Agencies, Ministries and relevant Departments on matters, including strategic opportunities and issues concerning improved service provision and sector performance;

- Initiate programmes and priorities for improving knowledge and skills of departmental employees and increasing departmental effectiveness and efficiency;
- Clarify and align functions and operating practices of the Department of Education for consistency in performance with other Social Service Departments within the Ministry of Social Services for, achievement and accountability;
- Address issues of organisational or sector concerns raised by other Departments, Central Agencies, the Public Service Commission, or the Minister, or by external interests and provide, or recommend meaningful solutions;
- Encourage the Department to take ownership of the transformation process to improve service provision and develop a culture of continuous improvement, focused on professionalism, integrity and the pursuit of excellence.
- Ensure departmental activities are conducted in accordance with the Niue Public Service Regulations (2004).

注 ●出生時平均余命、乳児死亡率における(2010-15)は数値が2010年から2015年の平均値であることを示す

●就学率における(2005-09)は数値が2005年から2009年の期間で入手可能な最新値であることを示す

●総就学率は、学齢人口に占める就学者総数(年齢を問わない)の割合であるため、数値が100を超えることがある
