

Project Brief

Issue: Vitalization of Private Sector
(Legal Reform)

Scheme: Technical Cooperation

Project Title: Legal Assistance for
Improvement of Conditions for
Development of Private
Enterprises

Duration: 2005 – 2008

Uzbek Counterpart: Ministry of Justice

Project Goal: Improvement of the conditions for development of business of private enterprises through improvement of legislations

Project had three components:

- ✓ Assisting Official National Database of Legislation
- ✓ Improvement of Administrative Legislation
- ✓ Improvement of the Civil Legislation

Inputs from Japanese Side:

- ✓ Dispatch of Experts
- ✓ Training in Japan
- ✓ Computer Equipment and software license
- ✓ Publication of the [Hypothec Manual in Russian](#) (2,000 copies) and Uzbek (4,000 copies)

Inputs from Uzbek Side:

- ✓ Working group of Uzbek Specialists
- ✓ Suitable office space
- ✓ Available data and information related to the Project

Activities:

- ✓ Procurement of computer hardware and licenses for software products
- ✓ Trainings in Japan
- ✓ Seminars in Uzbekistan
- ✓ Joint works on law-drafting
- ✓ Publication and distribution of Hypothec Manual

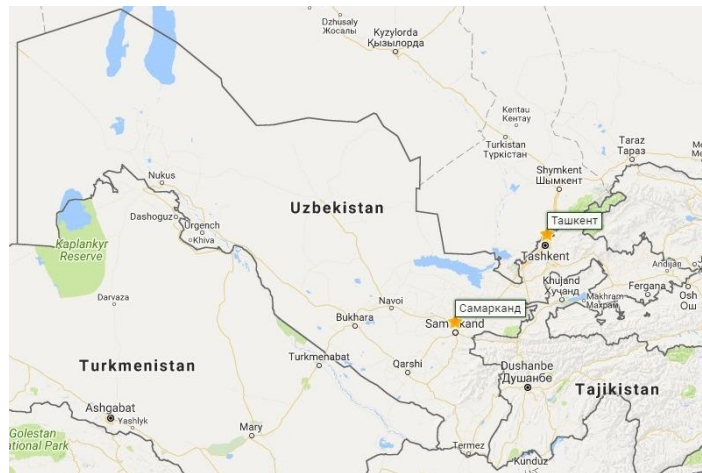

Results:

- ✓ Access to justice for people: Back up Servers and Oracle Database license was procured, which enabled launching the first Official National Database of

Legislation of the Republic of Uzbekistan www.lex.uz in 2008 (as of January 2018 – consists of more than 42 thousand legislative documents) and subsequently made it free for public

- ✓ Draft of the Law on Administrative Procedures was prepared.
- ✓ Law on Hypothec was drafted and Manual on Hypothec Law was drafted and published in Russian and Uzbek.

Geographical Location: Across Uzbekistan

E-versions of the Manual on Hypothec are available at the link below.
