

Project Brief

Issue: Human Resource Development

Scheme: Grant Aid

Project Title: Human Resource Development Scholarship by Japanese Grant Aid (JDS)

Duration: 1999 – present

Uzbek Counterpart: State Investments Committee / Ministry of Higher, Secondary and Specialized Education of Uzbekistan

Project Goal: The Project supports human resource development by providing annually 17 young leaders from Uzbekistan with full scholarships for graduate degrees (Master – 15 & PhD - 2) in top Japanese Universities.

JDS fellows are expected to contribute to the socio-economic development of Uzbekistan, by actively engaging in policy formulation and implementation of social and economic development policies when they complete the program and return to Uzbekistan.

Through the JDS program, young leaders are also able to understand the Japanese society, learn about common interests and work towards common goals. The JDS program creates a system where academic exchanges, which include immersion and exposure to various fields, become a tool for strengthening international relations.
